Dear Community Friend,

The Shark Band has a rich history of musical excellence that includes invitation only performances. In the last few years, the Gulf Coast Marching Sharks have traveled to perform in the 2015 Macy's Thanksgiving Day Parade in New York, the 2017 Fiesta Flambeau Parade in San Antonio, Texas, and the 100th Philadelphia Thanksgiving Day Parade in 2019. This could not have been done without support from our community.

All band members spend countless hours practicing and perfecting their performances while excelling academically, volunteering, and participating in many other extra-curricular activities. Music programs give students the opportunity to express themselves artistically, build friendships and develop perseverance, commitment, organization, and so many other lifelong skills. The programs are invaluable assets to our community and its youth.

Special contributors donating more than \$10,000 will have their logo placed on the side of the trailer for 5 years. Contributors donating more than \$2500 will have their business name recognized on the inside of the rear doors of the trailer with their company logo, the most visible location when the trailer is open and in use at football games and band contests. As thousands of students get to use this trailer over its lifetime, they will be reminded of the investment our community makes in them and our program.

In addition to the purchase of our trailer, your tax-deductible donation will allow us to fuel the 2024-2025 budget for the Gulf Coast Band seasons by helping to fund instrument and equipment purchases, instructors, private lesson scholarships, master classes, transportation expenses, event participation fees and other band-related expenses, all while giving your company more visibility in the Naples community. Please find the sponsorship levels on the following page. We thank you for supporting our young performers and hope you can experience at least one of their performances this year!
